

Man, you are one cool customer. You just bought the slickest little wireless DMX system out there, brother. We tip our cap to you.

Scarcely bigger than the end of a microphone cord but so, so much cooler... the **wiCICLE™ Wire-less DMX system**. 2.4Ghz, 512 autoselecting channels, shiny, and works like a dream.

If this were a playground, it would be the first kid picked for kickball, and now it's yours. In a word... Booyah. There, we said it. Now read these instructions quick so you can start playin'!

PRODUCT FEATURES / SPECS

- 7 Channel Groups with autoselecting channels (512 Channels total)
- 2.4Ghz ISM Band Operation for dropout-free performance
- Max. Operating Range: 300FT line-of-sight
- Max. Transmitter Power: 20dBm
- Receiver Sensitivity: -94 dBm
- Power Requirements: 5VDC, 1A.
- Signal Connector: 3-pin "XLR" Male/Female connector
- Warrant: Sweet Cherry Pie.
- Warranty: 2 Years (See Flipside for Details.)

HOW TO WORK IT:

1. Power on the wiCICLE™ Transmitter and Receiver.
2. Press the button on the Transmitter to select the operating channel group.

The 7-Color Status LED will change color to indicate the current channel group:

- GROUP 1: **RED**
- GROUP 2: **GREEN**
- GROUP 3: **YELLOW**
- GROUP 4: **BLUE**
- GROUP 5: **VIOLET**
- GROUP 6: **CYAN**
- GROUP 7: **WHITE**

3. Follow the same procedure on the Receiver to select the channel group.
4. Once both the transmitter and receiver(s) are both set to the same channel group, connect the transmitter to the DMX controller or the DMX out of a fixture on your DMX chain. Connect the receiver to the fixture you wish to control.
5. Once a DMX signal is provided to the transmitter, the status LED will blink red slowly until communication is established with the receiver. The status LED on the receiver(s) will flash green slowly until communication is established.
6. Once the clearest channel is auto-selected, both the transmitter and receiver status LEDs will blink quickly.
7. That's It!

CAUTION!

- There are no user servicable parts inside. Do not open the unit. Doing so will void your warranty and subject you to all sorts of bad karma.
- This unit is designed for indoor use only. Keep it dry and out of the sun. (Like a chocolate bar.)
- Operating environment: 0-104 degrees F. <90% RH.
- If you have a problem, just call or email! We're here to help!

THANK YOU FOR YOUR PURCHASE, WE REALLY APPRECIATE IT!
-- THE TEAM @ BLIZZARD LIGHTING

PRODUCT LIMITED WARRANTY

We hope you NEVER have a problem with your products, and we work very, very hard to make sure each of our products is up to the challenges of life as "an entertainer." With that said, being an entertainer is hard work, and sometimes even with our best laid plans, something goes awry. We are proud to offer an industry-leading warranty program for all of our products. We stand behind them and will do whatever we can to keep your products working for you for a lifetime!

Blizzard Lighting, LLC hereby warrants that its products shall be free of manufacturing defects in material and workmanship for a prescribed period from the date of purchase (see specific warranty period below). This warranty shall be valid only if the product is purchased within the United States of America, including possessions and territories. This warranty shall be valid only if the product is purchased from an authorized dealer appointed by Blizzard Lighting, LLC. It is the owner's responsibility to establish the date and place of purchase by acceptable evidence.

For warranty service you must obtain a Return Authorization number (RA#) before sending back the product. Contact Blizzard Lighting, LLC's Service Department at support@blizzardlighting.com. Send the product only to the Blizzard Lighting, LLC factory. All shipping charges must be prepaid. If the requested repairs or service (including parts replacement) are within the terms of this warranty, Blizzard Lighting, LLC will pay return shipping charges only to a designated point within the United States. If the entire instrument is sent, it must be shipped in its original package. No accessories should be shipped with the product. If any accessories are shipped with the product, Blizzard Lighting, LLC shall have no liability whatsoever for loss of or damage to any such accessories, nor for the safe return thereof.

...CONTINUED BELOW...

This warranty is void if the serial number has been altered or removed; if the product is modified in any manner which Blizzard Lighting, LLC concludes, after inspection, affects the reliability of the product; if the product has been repaired or serviced by anyone other than the Blizzard Lighting, LLC factory unless prior written authorization was issued to purchaser by Blizzard Lighting, LLC; if the product is damaged because not properly maintained as set forth in the instruction manual.

This is not a service contract, and this warranty does not include maintenance, cleaning or periodic check-up. During the period specified above, Blizzard Lighting, LLC will replace defective parts at its expense with new or refurbished parts, and will absorb all expenses for warranty service and repair labor by reason of defects in material or workmanship. The sole responsibility of Blizzard Lighting, LLC under this warranty shall be limited to the repair of the product, or replacement thereof, including parts, at the sole discretion of Blizzard Lighting.

Blizzard Lighting, LLC reserves the right to make changes in design and/or improvements upon its products without any obligation to include these changes in any products theretofore manufactured.

No warranty, whether expressed or implied, is given or made with respect to any accessory supplied with products described above. Except to the extent prohibited by applicable law, all implied warranties made by Blizzard Lighting, LLC in connection with this product, including warranties of merchantability or fitness, are limited in duration to the warranty period set forth above. And no warranties, whether expressed or implied, including warranties of merchantability or fitness, shall apply to this product after said period has expired. The consumer's and/or Dealer's sole remedy shall be such repair or replacement as is expressly provided above; and under no circumstances shall Blizzard Lighting, LLC be liable for any loss or damage, direct or consequential, arising out of the use of, or inability to use, this product.

This warranty is the only written warranty applicable to Blizzard Lighting Products and supersedes all prior warranties and written descriptions of warranty terms and conditions heretofore published.

LIMITED WARRANTY PERIODS:

All LED Products: 2 years (does not include damage to LEDs caused by mishandling)
All Controllor Products: 2 years
All Fog/Atmospheric Products (Non-DMX): 90 days, (DMX): 2 years
Lasers: 2 years
Other Products not listed here: 90 days
